

# THE GREAT DIVIDE

Ziggy Alberts

What a time it is to be alive  
People more scared to live than die  
Otherwise we wouldn't be scrolling feeds  
Looking down in a great divide  
Looked up I got scared  
I wanted to run  
But now I'm standing, I'm standing strong  
And I can see there never was any need  
For there to be any great divide  
And if you're listening, I want you to know

You are an answer, you're not a problem  
You are essential  
You're not forgotten my dear  
I belong and so do you  
Come on home  
There ain't no need, any great divide

You are an answer  
to all your problems  
You're here with purpose  
Might have forgotten my dear  
I belong and so do you  
Come on home  
There ain't no need, any great divide

What some call Prana  
Others call love  
What some call Mana  
Others call God  
And to me they're all the same  
They're the life force in between  
Any great divide  
Go get on country  
And feel the earth  
Swim in great waters  
Feel submersed  
And I can see there never was any need  
For there to be any great divide  
And if you're listening, I want you to know

You are an answer, you're not a problem  
You are essential, you're not forgotten my dear  
I belong and so do you  
Come on home  
There ain't no need  
Any great divide

You are an answer  
To all your problems  
You're here with purpose  
Might have forgotten my dear  
And I belong and so do you  
Come on home there ain't no need  
Any great divide  
Ooh, hey

'Cause you don't need to fix it  
If it ain't broke and if you're broken  
We can learn to fix this in places that it's been torn  
This ain't the only way it has to go  
Everybody's trying to come on back home

'Cause you don't need to fix it  
If it ain't broke and if you're broken  
We can learn to fix this in places that it's been torn  
This ain't the only way it has to go  
Everybody's trying to come on back home

Come on home  
Come on home  
Come on home  
Ooooh, Ooooh
