

# First Night

Ziggy Marley

Inna de ghetto first night  
Things are really high  
Reggae all night for the poor

Inna de ghetto first night  
Things are really high, high  
Reggae all night for the poor

Inna de ghetto first night  
Things are really high  
A reggae all night, want some more

Hey, a see the girls are dancing  
Yes de youths dem a bawl it out  
Though we've got problems  
We still a rock it to the ground

Inna de ghetto first night  
Things are really high  
A reggae all night for the poor, we want more

Inna de ghetto first night  
Things are really high  
Reggae all night for the poor

Down down inna de ghetto first night  
Things are really high  
Reggae just right, want some more, yes we do

And in the back room  
Brethren a reason harder now  
Yes we say well soon  
We haffi tear some borders down

Inna the ghetto first night  
Things are really high  
Reggae all night for the poor

Inna the ghetto first night  
Things are really high, high, high, high, high

Down inna ghetto first night  
Things are really high  
Hey, a reggae all night for the poor

Some say we got nothing  
But let's show them something now  
And all those who claim to have something  
Hey, they ain't nowhere to be found

Down inna de ghetto first night  
Things are really high  
We're keeping up the first for the poor  
How how

Inna de ghetto first night  
Things are really high, high

A reggae all night for the poor

A reggae just right, want some more  
A reggae all night for the poor  
Reggae just right, want some more

Reggae all night for the poor  
Reggae just right, want some more  
Reggae all night for the poor  
Reggae just right

Reggae all night for the poor  
Reggae just right, want some more  
Reggae all night for the poor  
Reggae just right, want some more  
For the poor  
Want some more

Reggae all night for the poor  
Hey, we want some more  
Inna de ghetto  
Inna de ghetto
