

Reggae Is Now

Ziggy Marley

Reggae is now
Reggae's got a feeling
Reggae is now
Reggae's got a meaning

You think reggae will be reggae, yeah
Tough reggae we're doin' okay, yeah
More reggae is good reggae
Rock reggae man you're doin' okay yeah

Running through the woods of Africa yeah
The lies are demolished?
Running through the woods of Ethiopia
The lies are demolished?

Can the boys do it, then the girls do it too
So mister big man why can't you

Can the boys do it, then the girls do it too
So mister big man why can't you

Do you wanna move

Yeah!

Reggae, reggae, reggae, reggae feeling
