

# Time Bums

Ziggy Marley

Oh, Human Race  
If we don't make haste to find true love  
Gonna be some time bums  
(Time bums)  
Some time bums  
Oh, Human Race  
If we don't make haste to find true love  
Gonna be some time bums  
(Time bums)  
Just some time bums

Hey  
Without no aim  
Ain't got no shame  
Drunk from the sins  
Of our own hearts  
Ay  
Feeling pain  
Yet, still in game  
Show some love

Oh, Human Race  
(Human race)  
If we don't make haste to find true love  
Gonna be some time bums  
(Time bums)  
Some time Bums

Oh, Human Race  
(Human race)  
If we don't make haste to find true love  
Gonna be some time bums  
(Time bums)  
Just some time Bums

Well  
Using the will to love  
Don't take whatever they give  
Aw, come on let's all get the will  
And survive  
Nah, hey hey hey

Who wants to dig  
Upend all their souls  
Who wants to live  
In a false world

Oh, Human Race  
If we don't make haste to find true love  
We're gonna be some time bums  
(Time bums)  
Some time bums  
(Time bums)  
Oh, Human Race  
We got to make haste  
We got to make haste  
Don't wanna be no time bum

Don't wanna be no time bums

What is the truth they give  
To make us war  
Which is the way they live  
In their own yard  
I tell you now

I stake hypocrisy  
All you traitors be still  
You drunkards  
You got to get sober  
(Sober)

Oh, Human Race  
If we don't make haste to find true love  
We're gonna be some time bums  
(Time bums)  
Just some time bums  
(Time bums)  
Oh, Human Race  
(Human race)  
We got to make haste  
Got to make haste  
Don't wanna be no time bums  
(Time bums)  
Don't wanna be..  
No  
(Time bums)  
Groovin'

We got to make some hay  
While the sun shines  
We got to make some hay  
While the sun shines

This is groovin'

What  
This morning I woke up I felt an earthquake  
We got to make some hay  
While the sun shines  
Tell you  
This morning I woke up I felt an earthquake  
We got to make some hay  
While the sun shines  
Now, this is groovin'
