

# Wrong Right Wrong

Ziggy Marley

Some people got the wrong right  
Some people got the right wrong  
Some people got the wrong right  
Some people got the right wrong

Wrong right  
Some people got the right wrong  
Some people got the wrong right  
Some people got the right wrong

And they're teaching their doctrine  
To the children of today  
Every mickle make a muckle  
If you know what I say  
Don't be fooled by the fool  
The trick that they play

And they know what is in their mind  
They're trying to prove instead of to find  
Truth don't hide in no valley  
Truth don't hide in no brook  
Truth a hide in your heart

Woe onto them who cause iniquity  
With chords of vanity, they call evil god  
Put darkness for light; bitter for sweet  
Woe unto dem who are wise  
In their own eyes, what a life

Behind the scene eyes nuh see  
What governments hide  
C.I.A should D.O.A., K.G.B. should R.I.P.  
That's what on my mind  
The bible was changed to suit King James  
Many empty lies, hear say, hear say, hear say  
John public blind, public want to know the truth today

And the world became this way  
Because the trick in the trade  
They refuse to see it, save the people pray  
Doctrine where is your happiness  
We're in a slummy economic mess  
Whole world is crying, whole world is dying

Some a dem, some a dem, some a dem  
Some a dem, some a dem, some a dem  
Some a dem

Some people don't know  
Some people don't know  
Some people don't know  
Some people don't know
