

# Your Pain Is Mine

Ziggy Marley

Your pain is mine

When you heard, my heart cries  
Oh, this emotion said it just won't lie  
There's a connection, deep inside  
So I let love be my guide

Your pain is mine  
Your pain is mine  
Your pain is mine  
Your pain is mine

In joy and sorrow, we ride the tides  
I can see things through your eyes  
It's hard to explain, why I feel  
The way I feel, I'm gonna be real  
So

Your pain is mine  
I tell you again  
Your pain is mine  
We'll be alright then  
Your pain is mine  
Oh, yeah  
Your pain is mine

Travelling up lifes rocky road  
No one should ever have to walk alone  
Going through the test in times  
I am here to throw a rescue line, now

'Cause your pain is mine  
My love is true  
Your pain is mine  
What I need to do  
Your pain is mine  
Who can we turn to?  
Your pain is mine

When you heard, my heart cries  
Oh, this emotion said it just won't lie  
There's a connection, deep inside  
So now you let love be your guide

I won't leave you hanging, brother (your pain is mine)  
When we going through the test in times (your pain is mine)  
I won't leave you hanging, sister (your pain is mine)

When we going through the test in times (your pain is mine)

Your pain is mine (your pain is mine)  
My love is true  
Your pain is mine (your pain is mine)  
Who can we turn to?  
Your pain is mine (your pain is mine)  
I tell you again  
Your pain is mine (your pain is mine)

We'll be alright then

Your pain, your pain is mine (your pain is...)

Your pain is mine
