Here We Go

Zilch

I left my house today, thinking about the words we throw away,
things that we shouldn't have said,
Friends can be hard to find; why do we leave the grace so far b
ehind, dragging us down instead?

Here we go again,
We break before we bend, thinking it all will mend in time,
Here we go again.

Years we draw off sides,
Both of us do the shirk, to be denied,
Someone will fall behind,
Do we see when can't cross this line?

'Cause here we go again,
We break before we bend, thinking it all will mend in time,
Here we go again.

Take a moment, pray to him,
Close your eyes and say your prayer,
Maybe we could end the quake of love.

Here we go again,
We break before we bend, thinking it all will mend in time,
Here we go again.

Here we go again,
We break before we bend, thinking it all will mend in time,
Here we go again.

Here we go again,
Here we go again,
Here we go,
Thinking it all will mend in time...

At this point, we're strictly in the remix stage
