

Yeah

Zilch

But are you free when things don't come easy?
Is there a peace to breathe you anyway?
Honestly, do you get the feeling that those who you meet believe you know the way?

And now I see it,
You couldn't hide it,
Would you believe it?
Yeah, yeah, yeah, yeah,
Yeah, yeah, yeah, yeah.

It isn't me when I look into the sky,
Can't help but think I'd meet you any day,
Wanna be one who's really confident when there's a need to be put on display.

And now I see it,
You couldn't hide it,
Would you believe it?
Yeah, yeah, yeah, yeah,
Yeah, yeah, yeah, yeah,
Yeah, yeah, yeah, yeah,
Yeah, yeah, yeah, yeah,
And now I see it.

And now I see it,
You couldn't hide it,
Would you believe it?
Yeah, yeah, yeah, yeah,
Yeah, yeah, yeah, yeah,
And now I see it,
You couldn't hide it,
Would you believe it?
Yeah, yeah, yeah, yeah,
Yeah, yeah, yeah, yeah,
Yeah, yeah, yeah, yeah,
Yeah, yeah, yeah, yeah....
(etc.)
