

She got hooked on ketamine  
Future broken, heavy weight  
It took a long time to know, couldn't break  
She took a long time to go over pain  
Student, scholar, couldn't pay  
Got indebted, heavy weight  
It took a long time to know, they can wait  
It took a short time to grow over pain

Head goes around  
Thinkin' it is over, head goes around (Ah)  
Head goes around  
Thinkin' it is over, head goes around (Ah)  
Around and around

Got depression in the brain  
Started cuttin' on the veins  
It took a short time to know, parents shamed  
It wasn't long 'fore he goes far away

Around and around  
Floatin' in an orbit, 'round and around (Ah)  
Around and around  
Floatin' in an orbit, 'round and around (Ah)  
You're dead in the ground

Ah, ah
