

## Tactical Nuke Interlude

ZillaKami

Yung Germ

War crime, might drop napalm on the 'jects  
Dirtbags lay your lil' homeboy to rest  
Shotgun on me, he should've wore a vest  
If I go to jail, scream "Free me" 'til the death  
Acting like a ho, strip a nigga out his clothes  
Takin' his Amiris and ParaNorman Foams  
I see where you at, got them UAV drones  
Payin' off the crackheads walkin' 'round your home

Don't get cut, do not rush up  
Don't get bucked, do not rush up  
Don't get touched, do not rush up  
Don't get fucked, do not rush up
