

# Drowning

Zimmer90

Kennst du schon den neuen Club?  
Ne, wie heißt der denn?  
Zimmer90!

Dancin' together all night  
Why are you shinin' so bright?  
Baby, I'm drownin'  
(Drownin' in your love)  
Summer is over and I'm  
Seein' the stars in your eyes  
Baby, I'm drownin'  
(Drownin' in your love)

I once said, I once said  
"Bein' alone makes me mad"  
Please don't put me down  
I hope you'll be around  
Time never went so fast  
Time never went so fast  
Time never went so fast  
How long will it last?

Dancin' together all night  
Why are you shinin' so bright?  
Baby, I'm drownin'  
(Drownin' in your love)  
Summer is over and I'm  
Seein' the stars in your eyes  
Baby, I'm drownin'  
(Drownin' in your love)

Yesterday, I walked down the street in my hometown  
And the sky was so blue, like a lake  
An then I saw her, down by the river, laying on the rocks  
And I was thinking about asking her if I could join her  
I didn't ask, I was so scared  
I walked back and my head kept spinning 'round and 'round

Dancin' together all night  
Why are you shinin' so bright?  
Baby, I'm drownin'  
(Drownin' in your love)  
Summer is over and I'm  
Seein' the stars in your eyes  
Baby, I'm drownin'  
(Drownin' in your love)
