

Fine

Zimmer90

I wanna go where I used to go
I wanna see the ones I know

And I get no rest
Thoughts driving me crazy
These lazy days
They feel like a strange dream

Summertime feeling fine
Try to relax
Try to see you
Has been cold for a while
But I wanna see you

Summertime feeling fine
Try to relax
Try to see you
Has been cold for a while
But I wanna see you

This isn't right, like clouds in the sky
Slightly afraid don't knowing why

And I get no rest
Thoughts driving me crazy
These lazy days
They feel like a strange dream

Summertime feeling fine
Try to relax
Try to see you
Has been cold for a while
But I wanna see you

Summertime feeling fine
Try to relax
Try to see you
Has been cold for a while
But I wanna see you

Driving away
Lights at the sky
Finally high
Finally high

Summertime feeling fine
Try to relax
Try to see you
Has been cold for a while
But I wanna see you

Summertime feeling fine
Try to relax
Try to see you
Has been cold for a while
But I wanna see you
