

Lost In Thoughts

Zimmer90

I'm walking the right way
But is it the right way?
I'm running so fast
Running so fast
I'm feeling so lonely
Today is a strange day
Tomorrow will be the same
Let it go
Let it go
Let it go

Circular thoughts being spinning 'round in my head
Feels like I'm drowning
Circular thoughts being spinning 'round in my head
My heart is pounding

I'm lost in thoughts
Drive me around
I'm lost in thoughts
Drive me around
Drive me around

You're walking the right way
But is it the right way?
You're walking so fast
Walking so fast
I'm feeling so lonely
Today is a strange day
Tomorrow will be the same
Let it go
Let it go
Let it go

Circular thoughts being spinning 'round in my head
Feels like I'm drowning
Circular thoughts being spinning 'round in my head
My heart is pounding

I'm lost in thoughts
Drive me around
I'm lost in thoughts
Drive me around
Drive me around
