

# Therefore

Zimmer90

Staring at the blue screen  
Feeling kinda happy  
People in white jeans  
Selling other's life dreams  
(Run away)

I keep going, but I'm hiding from my dreams (run away)  
And I know it's not as perfect as it seems

Therefore, I know  
I wanna be somebody, be one  
All that I know  
I wanna be somebody, be one

Staring at the black screen  
Feeling kinda lonely  
Never been so worried  
Now it's in my story  
(Run away)

I keep going, but I'm hiding from my dreams (run away)  
And I know it's not as perfect as it seems

Therefore, I know  
I wanna be somebody, be one  
All that I know  
I wanna be somebody, be one

Therefore, I go (run away, run away)  
I wanna be somebody, be one  
All that I know (run away, run away)  
I wanna be somebody, be one

Run away, run away  
Run away, run away  
Run away, run away  
Run away, run away

Run away, run away  
Run away, run away  
Run away, run away  
Run away, run away  
Therefore, I go

Therefore, I know  
I wanna be somebody, be one  
All that I know  
I wanna be somebody, be one

Therefore, I go  
I wanna be somebody, be one  
All that I know  
I wanna be somebody, be one
