

Under The Moon

Zimmer90

Sometimes, I feel so small
But all in all, it's strangely moving on
Dark nights under the moon
All it takes to get me in the mood

Maybe, this ain't over
Can you pull me closer?
Life goes on and on, and on, and on, and on
Maybe this ain't over
Can you pull me closer?
Life goes on and on, and on, and on, and on

Behind the hills, beneath the sea
I find myself upon a tree
My inner me
I take my hand, I'm moving slow
Up in the sky, where should I go?
Where should I go?

Maybe, this ain't over
Can you pull me closer?
Life goes on and on, and on, and on, and on
Maybe this ain't over
Can you pull me closer?
Life goes on and on, and on, and on, and on
Maybe this ain't over
Can you pull me closer?
Life goes on and on, and on, and on, and on
