

# Wait For You

Zimmer90

Have you noticed  
How the wind blows  
Through the night

Have you noticed  
All the changes  
In your life

When the rain comes  
All the footsteps disappear  
Hear the music on the dancefloor  
I'll be there

Ahh-Ahh-Ahh  
I wait for you  
I wait for you

Ahh-Ahh-Ahh  
I wait for you  
I wait for you

I wait for you  
I wait for you

Have you noticed  
All the colors  
When the night falls

Hard to focus  
While the others  
Are gone

When the rain comes  
All the footsteps disappear  
Hear the music on the dancefloor  
I'll be there

Ahh-Ahh-Ahh  
I wait for you  
I wait for you

Ahh-Ahh-Ahh  
I wait for you  
I wait for you

(Ahh-Ahh-Ahh)  
Ahh-Ahh-Ahh  
I wait for you  
I wait for you

Ahh-Ahh-Ahh  
I wait for you  
I wait for you
