When dey see me dem dey tremble
When we enter everywhere dey smell like a trouble

Smaller trouble
Babe I'm in your city
I'm just wondering you wanna see me?
Hmm hmm say she wanna feel me
Say she wanna fuck me with no jimmy

Dem boy no wanna see me
When dey see me they sare, they mere, they japa
Niwaju Samlarry, Falapa
Apa wa fun ọmọ ti o lapa, mere
When dey see me dey panic
Once they see me dey won't stop running
When we pull up is tragic
Make a man disappear like magic

If they pull up let them have it
Give them four like fantastic
Give them four like fantastic
Leave that opp boy in a casket
