

Hold on, watch what way you say to me  
Even tho I don't let the shit get to me  
But they have to get me my enemies  
Still say a prayers for my enemies  
Ah-ahn, can't tell me anything  
'Cause my eyes don see many many things  
If you know the truth, it will set you free  
Why do you believe only when you see?

Feel like I need save me for myself  
Now, look at me saving someone else  
Never try to be differe-ent, I'm just gifted  
Feel like I need save me for myself  
Now, look at me saving someone else  
Never try to be differe-ent, I'm just gifted

Ah, but why you choose me? I no con know  
'Cause since when I dey here, I no wan go  
Gimme your grace, I no wan soap, I no wan jonze  
Enjoyment, I no wan kurò  
Can't give up, who give up? I'm a young soldier  
Can't look out all the hate, kò gbá'durá l'òdá  
Still running with all the weight wey dey on my shoulder, ah  
I'm a young soldier, ah

Hold on, watch what way you say to me  
Even tho I don't let the shit get to me  
But they have to get me my enemies  
Still say a prayers for my enemies  
Ah-ahn, can't tell me anything
