

STEPH CURRY

Zinoleesky

Ah, Zino' nà ni òh
(Tomsorisenenagor)
Ayy, ahh
Mm-yeah, ah-ahh

I'm like Steph Curry in the game, I don't miss
So please put some respect on my name, if you want peace
So then I keep warning your fav, make he no diss me, no
All this comparing, when I'm gone, you're gonna miss Zino'
Ah, I don't do no fake flex
I'm like "fuck it", I don't want no fake friends
Yesterday I'm nice, today, no patience
All the things I've done, mhen, no case yet

I put my heart and soul and everything into my sound
'Cause where I'm from, overtaking is allowed
Open the eyes of every ghetto youths around (every ghetto youth around)

Ọmọ iyámi, iwọ gàn lè gbá Grammy
Ò lè fọ store ni Miami
Mon j'áyè lọ, mio worry
Mm, ọmọ iyámi, you can get it, if you believe
Still grateful for the blessings I received
No be me dem go deceive

Mm-mm, ah, yeah, yeah
Among some billion dollar lyrics
Confirm shit, not gimmicks
E be like me and music get relationship like Adekunle and Simi
You better be about it when you see me (be about it when you see me)
Say big man just free me
You can ask your brother, ask your sister too
They know it when they see me
Ah, ọgá, no òrìṣi mi, áyè l'án jẹ ò (áyè l'án jẹ ò)
No òrìṣi mi, Adigun l'án jẹ ò
Wish you what you wish me, ọgá l'on pá'ṣhẹẹ ò

I put my heart and soul and everything into my sound
'Cause where I'm from, overtaking is allowed
Open the eyes of every ghetto youths around (every ghetto youth around)

Ọmọ iyámi, iwọ gàn lè gbá Grammy
Ò lè fọ store ni Miami
Mon j'áyè lọ, mio worry
Mm, ọmọ iyámi, you can get it, if you believe
Still grateful for the blessings I received
No be me them go deceive
