Goodness gracious This place is so spacious I'm feelin' so live and vivacious Blessed with the ancient The epitome of gymnastics and bombastic we blast it with such Detail to the touch And back up the bum rush Make em hush Knock em out flush Shake em out their shoes Bad energy blues What rules? Haven't you heard the news? (Hey) It's the boogie man's trance advancingly expansion Major flavor now engage with your dancing Crazin' raisin' up the roof curing cancers A whole lot of problems, nobody but answers (Uh) Gang of killers, acting like gorillas Dropped the little man, but you still couldn't feel us Rappers acting like drug dealers for the skrillas The business with the tracks that they claim is the realist Rock rock man Freak freak man Cheeba cheeba man So unique man Rock rock man Freak freak man Cheeba cheeba man I'm a leader (Uh) Who shot Malcolm??? And put the ghetto U on the vex sentence And with a vengeance Street light presence Wanna be king because we live like peasants Living on a morrow? Time til tomorrow Break, meditate to style like Frida Kahlo Feeling muy cansado Then you should pucker up Guarantee just let the G-O-D heal your cuts (Yeah) Beneath the skies Where the mountains rise Make the whole world wise Come feel these vibes See the problem lies Behind your eyes Don't let your time run short before your energy dies Your persevere is so severe Before they burst in here They make it worse in here It's your worst fear It already hurts in here

You can see clear but you can't get out of first gear

(Yeah) I time travel Flip it to a different channel Grab the handle Ride it and guide it And to your own utopia euphoria Road warrior I didn't come for Gloria I'm coming from Korea to give you a note I walk and took a plane and a sailed on a boat They told me to tell you we need your support And if we don't come together then we coming up short In the valley I drive on I gone with Acey-Along my gracy Ju-jitsu with ponce It's got a lot mics I like a lot of types Flight in the sights the best feeling in life Energize high the Children singin for their kites Ima see light, the sun Cause cousin, it's only right
