

# Money

Zion

Te he dado como 40 blones  
No, no  
Ain't nothing funny  
Its all about the money  
Come on ma  
I know you going to love this song  
I know you going to love this song  
Hey, hey, hey

My baby mama, she want my money  
She is not the only one, ain't nothing funny  
My friends and family, they want my money  
They are no the only one who wants my money  
Hey, Hey

Money, Money  
(I know that's what they want)  
Money, Money  
(I know that's what they want)  
Money, Money  
(I know that's what they want)  
Money, Money

Everybody wants something from me  
Like money grows on trees  
And when my phone rings, might be  
Cuz somebody wants some money from me

They want to shine off, of me  
They want to ride, drink and smoke for free  
No hay nada malo en ser haci  
Pero no por mí  
Money, Money, Money, Money

My baby mama  
She want my money  
She is not the only one, ain't nothing funny  
My friends and family, they want my money  
They are no the only one who wants my money  
Hey, Hey

Money, Money  
(I know that's what they want)  
Money, Money  
(I know that's what they want)  
Money, Money  
(I know that's what they want)  
Money, Money

I am not the one for you to fool  
Even though we Cuz theres rules that you got to learn  
Bridges you don't want to burn  
Trust you got to earn  
To get my money

I can throw some Ds on ya  
But you want to seem mama

Make you feel mama  
I can upgrade ya  
Even pay ya  
Mistake a  
(player with some money)

They want to shine off, of me  
They want to ride, drink and smoke for free  
No hay nada malo en ser haci  
Pero no por mí  
Money, Money, Money, Money
