Babay

Those guys over there are excited for no reason
(Excited, uh uh-huh)
After finding out just your name alone
(Excited, excited)

Bababy, when you're walking with me
Stick closer to me
(Baby baby, baby babay)
Let everyone see what kind of
Relationship we have

She's so bad bad
Beautiful, she beautiful
For no reason, I want to put my arm
Around your waist, I want to
For no reason
I want to ask you, ask you today
Tell me whose girl you are

Just call me baby
I call you baby (babay)
Yeah baby (yeah baby)
Baby baby (bay bay bay)
I want you to say
Du du du du du
Yeah

From the tip of my toes to the tip of my head
Oh God, you're the perfect dough of the gods
You sparkle like crystal
You're like a function that those guys can never solve (fx)
As if you're a flash mob, eyes are hotly gathered on you
People around you go completely crazy
Your existence is like summer on smash
I get excited for no reason, life is good

Bababy

Where should we go baby
Eat something good baby, go shopping baby?
I have plenty of great figures in my wallet
I'll courteously tend to the greatest beauty
There's a heated room that won't turn off next to me
A feeling of having a glass of martini?
It's bad but it feels good imagining
You'll be wearing my shirt tomorrow morning

She's so bad bad
Beautiful, she beautiful
For no reason, I want to put my arm
Around your waist, I want to
For no reason
I want to ask you, ask you today
Tell me whose girl you are

Just call me baby
I call you baby (babay)
Yeah baby (yeah baby)
Baby baby (bay bay bay)
I want you to say
Du du du du du
Yeah

Put my shades on and walk with me
When you hear this song, tell everyone you're mine
Show it to other people, make it more obvious
I just wanna call you babe, baby

Baby baby baby
Baby baby baby
