Tangle it up a little
Put down your tied up hair and let it flow
Just stay like that, I'll take a shot
Of course, you're pretty whatever you do

Will you smile as if you don't care?
Will you look back a little? Yeah
Flash, flash, flash, flash
Sometimes, you're so visual
O... flash flash flash flash

When I see you, my eyes turn into a viewfinder
Like a movie, music starts to play
Video video video, I want to take a video of you
You're more than special
In a luxurious hotel lobby
There are chandeliers high up on the ceiling
The flowers shine, flowers shine

Will you smile as if you don't care?
Will you look back a little? Yeah
Flash, flash, flash, flash
Sometimes, you're so visual
O... flash flash flash flash

O-o-o...

Will you look down a bit?
Will you look back a little? Yeah
Looking good, good, good, flash
Sometimes, you're so visual
O... flash flash flash flash, oh

O-o-o...
