

When It Hurts

Zoe Wees

I can be a diva sometimes
I can be wrong, think I'm right
Always say things I don't mean
Sometimes I can be so damn mean
Even when I walk out the room
Slam the door right in front of you
Only you know just how it is
Don't deserve the love that you give

Oh, we've been through the best and the worst
Every single blessing, every curse, yeah
Even when I can't say the words
You hold my heart when it hurts
You always come along for the ride
Hold my hand on a four hour flight, yeah
Even when I can't say the words
You hold my heart when it hurts

When we were kids you pushed my head in the sand
Now you make me smile when I'm sad
Always pick me up when I'm low
Now we're sharing all of our clothes
When I'm with you I just feel like I'm home
Know you always pick up the phone
When I'm breaking out into tears
I just look around and you're near

Oh, we've been through the best and the worst
Every single blessing, every curse, yeah
Even when I can't say the words
You hold my heart when it hurts
You always come along for the ride
Hold my hand on a four hour flight, yeah
Even when I can't say the words
You hold my heart when it hurts

Cause we've been through the best and the worst
Every single blessing, every curse, yeah
Even when I can't say the words
You hold my heart when it hurts
You always come along for the ride
Hold my hand on a four hour flight, yeah
Even when I can't say the words
You hold my heart when it hurts, hurts, hurts
