

Go (Blank Sea)

Zola Jesus

Because I give your wake
Doesn't give better than it takes
Doesn't give your way
Doesn't give better than it takes
Doesn't know the truth in your
Doesn't know the truth in your
And I go on down town
Well they don't know my name
And I go on down town
Well they don't know my name
You get afford from all this steps
For these lines, can livin' in
You can agive me what I'm after
In this cold situation
But I know more
And I go on down town
Well they don't know my name
And I go on down town
Well they don't know my name
And I go on down town
Well they don't know my name
And I go on down town
Well they don't know my name
And I go on down town
Well they don't know my name
And I go on down town
Where they don't know my name
