

## Crazy Ex

Zolita

I've  
Been  
Up for 24 hours

Calling  
Out your name  
In the shower

Ooh God  
Might be pathetic  
But I don't fucking care right now

I know  
You're gonna tell your friends it ended fine but  
Then oh  
I kinda went and lost my mind

I'm that  
Crazy ex in red Stilettos  
Acting like we're still together  
Shit I guess I missed the memo  
I'm that  
Psycho bitch you can't get rid of  
Sends your new girl naked pictures  
Do it all because I'm bitter

I'm that crazy ex

I  
Know  
Every place that you've been

Cause  
I  
Still got your location

You  
Don't know that I'm in  
The back of the bar while your doing your shots with her

I know  
You're gonna move on thinking it's all fine  
But then oh  
I'm gonna turn up in the middle of the night

Showing up at your door, 2am  
Picking your lock in a wedding dress  
Lay in your bed like a psychopath  
Waiting for you to come home

I'm that  
Crazy ex that loved you better  
Acting like we're still together  
Shit I guess I missed the memo  
I'm that  
Psycho bitch you can't get rid of  
Sends your new girl naked pictures

Do it all because I'm bitter

I'm that crazy ex  
I'm that crazy ex  
I'm that crazy ex  
I'm that crazy ex  
I'm that crazy ex  
I'm that crazy ex
