

Drag Me to Hell

Zolita

Had your mask on when I met you
Now it's gone but all my lust grew
Ask you what's the worst thing you've done
You tell me, I know I should run

Call me Satan's mistress
I'll be your Lilith
We'll burn together forever

I'm under your spell if you drag me to hell
I'll still want ya
Promise I won't tell if you drag me to hell, hell
I'm under your spell if you drag me to hell
I'll still want ya
Promise I won't tell if you drag me to hell, hell
I'll still want ya
Drag me, drag me, drag me to hell

You're getting violent
I stay silent
I have chills looking in your eyes
Want you to make me a monster
Show me the way that you conjure
Offer me up at the alter
(Forever)

I'm under your spell if you drag me to hell
I'll still want ya
Promise I won't tell if you drag me to hell, hell
I'm under your spell if you drag me to hell
I'll still want ya
Promise I won't tell if you drag me to hell, hell
I'll still want ya
Drag me, drag me, drag me to hell
Drag me, drag me, drag me to hell

I'm under your spell
I'm under your spell
I'm under your spell
I'm under your spell
