

I'm a Rock & Roll Mess

Zolof The Rock & Roll Destroyer

You say I can change,
but it hasn't really happened.
And if you need truth,
there's some conflict of interest.
Here's a little, a little hint:
Try getting over it.
Before all hell breaks loose,
like infernos tend to do.

Can't stop, karate chops.
Smash your head on the punk rock.
I'm a rock and roll mess.

One big mystery,
but it doesn't really matter.
Cause there's more of me and,
that's more than you can handle.
So then suit yourself and wait.
You should be righting fate.
Before it all swings back
like dramatic acrobats.

Can't stop, karate chops.
Smash your head on the punk rock.
I'm a rock and roll mess.

Can't stop, karate chops.
Smash your head on the punk rock.
I'm a rock and roll mess.
