Ode To Madonna

Zolof The Rock & Roll Destroyer

I don't quite know where the Mohabi Desert is located But I do know that Madonna gave an excellent performance On that day in that place Just for me dressed in black I swear to God I'll die I wanna take her to the prom So what its na na na na na na yeah OK its M-A-D-O-N-N-A No Way its la la la la la ya Wait up cause with out you life is so blase I dream I had a dream I had this dream see I see us lying lasciviously in the lush just like two carefree cowpokes on a hill with lots of grass the grass is soft the air is warm you dress in clothes of black as I recite didactic prose. So what its na na na na na na yeah OK its M-A-D-O-N-N-A No Way its la la la la la ya Wait up with out you life is so blase So what its na na na na na na yeah OK its M-A-D-O-N-N-A No Way its la la la la la ya Wait up cause now the lights?
