Terror Squad

Zomboy

Dance everyone dance!

Come on dance!

Little bit, little bit, little bit, little bit, little bit (ech
o)

Go in for a little bit
and make him think you're feeling him
and smile
and let him wake your ass
and make him think he's in it
Turn it on x5
On x3
It's fucking Zomboy

Get out of my face!

Dance everyone dance!

Come on dance!

Little bit, little bit, little bit, little bit, little bit (ech
o)

Go in for a little bit
and make him think you're feeling him
and smile
and let him wake your ass
and make him think he's in it
Turn it on x5
On x3
It's fucking Zombo...

Get out of my face!
