

## Dear Child (So Many Ways)

Zonke

I don't know what it is  
About you that makes me feel complete  
Your smile brings me peace  
Your laughter can heal my world

If I choose  
To love you  
If I choose  
To leave you  
If I choose to  
To embrace you  
Maybe some day  
I can be as you are  
Dear child

The thought of you in pain  
I cant imagine  
Cut so deep I just cant explain  
Oh...  
You deserve so much better  
Than a world that puts you last, puts you last

If we choose  
To hurt you  
If we choose  
To ignore you  
We choose  
To make you cry  
In a world that will never  
Be as pure as you are  
Dear child

So many ways to love ya  
So many ways to teach ya  
So many ways to please ya  
So many ways to make you laugh  
So many ways to love ya  
So many ways to teach ya  
So many ways to please ya  
So many ways to make you laugh

Ooh, if I choose  
Ooh, if I choose  
Dear child

Yes I know what it is  
About you that makes me feel complete  
Your smile brings me peace  
Your laughter heals my world

So many ways to love ya  
So many ways to teach ya  
So many ways to please ya  
So many ways to meet ya

Let me count the ways

Dear child  
We can count the ways
