

# Feelings

Zonke

It's always about, yeah  
And what you gonna do for me today?  
Always about, yeah  
And what you gonna give to me today  
Cause you're not feeling good?  
All about, yeah  
And what you gonna give to me because  
You had a bad day?  
Well so did I, so did I baby  
So did I, so did I baby

Tonight we gonna talk about feelings  
Tonight we're gonna talk about all the things  
That I've always wanted tonight  
You're gonna be making up for all the times  
When I needed you and you were not there  
You were not there, ooh...

Feelings, can we talk about?  
Feelings, can we talk about feelings?  
Ndicela ukuthetha nawe?  
And all the things that I've always wanted to say  
Feelings, can we talk about feelings?  
Can we talk about feelings?  
And all the things that I've always wanted to say

Why you don't get this  
I'll never truly understand  
Tried everything but all you do  
Is make me feel so bad for wanting you  
For loving you  
Baby for needing you  
Ooh...

Baby tonight  
We're gonna talk about feelings  
Baby tonight  
We gonna talk about all the things that I feel in my heart  
Though I'm loving you still  
I'm needing you still  
Though I'm wanting you still

Ooh baby baby  
Can we talk about feelings?  
Can we talk about feelings?  
Ndicela ukuthetha nawe  
And all the things I've always wanted to say, feelings  
Can we talk about feelings?  
Can we talk about feelings?  
And all the things that I've always wanted to say

Here's what we're gonna do!  
We're gonna sit, one!  
You're gonna listen, two!  
You're gonna tell me you love me like you used to do, three!

Here's what we're gonna do!

We're gonna sit, one!  
You're gonna listen, two!  
You're gonna tell me you love me like you used to do, three!

Ooh baby, feelings  
Can we talk about feelings?  
Can we talk about feelings?  
Ndicela ukuthetha nawe?  
And all the things I've always wanted to say, feelings  
Ooh baby, feelings  
Can we talk about feelings?  
Can we talk about feelings?  
Ndicela ukuthetha nawe?  
And all the things I've always wanted to say, feelings  
...
