

Free State Of Mind

Zonke

New free state of mind
New free state of mind
New free state of mind
New free state of mind

It feels so good dancing next to you
No more feeling blue, I'm in the mood
Clear blue skies, no more rainy days
Nothing but light ahead, I'm in the mood
I got a new free state of mind

Don't feel sorry me
I've been truly blessed
All I want to do is show it
Nothing more, nothing less

I get so excited
Because I know, nothing can hold me down
What I have been through has made me what I am now, what I am now

I feel so good dancing next to you
No more feeling blue, I'm in the mood
I'm in the mood for freedom
Clear blue skies, no more rainy days
Nothing but light ahead, I'm in the mood
I got a new free state of mind

Ningangboni nginje, inhliziyo yomelele
Mna ndiyawamele ama tyala am
Kodwa ngoku sikelele, ndixolele

I get so excited
Because I know, nothing can hold me down
What I have been through has made me what I am now, what I am now

I feel so good dancing next to you
No more feeling blue, I'm in the mood
I'm in the mood for freedom
Clear blue skies, no more rainy days
Nothing but light ahead, I'm in the mood
I got a new free state of mind

New free state of mind
New free state of mind
New free state of mind
New free state of mind
