

Heavenly

Zonke

Everybody needs a shoulder
To cry on when life gets colder
Well, mine is the best (Yeah, yeah)
Oh, I know, I put it to the test
He's mighty and kind, adores everybody
He loves me more than I'll ever know
Yes, He does, He tells me every day

When You walked into my life, You said (What can I get you?)
When I need a friend, I know You'll say (What can I do for you?)
)
When I'm asking You for the whole wide world, You say
"You're my child, I've given you the world"

He is my one and only
He carries me through any storm
Oh, how I know He cares for me
(He tells me so)

Oh, when You walked into my life, You said (What can I get you?)
)
When I need a friend, I know You'll say (What can I do for you?)
)
When I'm asking You for the whole wide world, You say
"You're my child, I've given you the world"
(When You walked into my life, You said) What can I get you?
(When I need a friend, I know You'll say) What can I do for you?
?
(When I'm asking You for the whole wide world, You say)
"You're my child, I've given you the world"

Heavenly, You are to me
(Heavenly, heavenly, heavenly, heavenly)
Never far, so near (So near)
Heavenly, You are to me
(Heavenly, heavenly, heavenly, heavenly)
And I thank You

When You walked into my life, You said (What can I get you?)
When I need a friend, I know You'll say (What can I do for you?)
)
When I'm asking You for the whole wide world
"You're my child, I've given you the world"
When You walked into my life, You said (What can I get you?)
When I need a friend, I know You'll say (What can I do for you?)
)
When I'm asking You for the whole wide world
"You're my child, I've given you the world"
