

Reach It

Zonke

Thought just crossed my mind
Who am I not to be?
So I packed my things
And just, come on over
What am I gonna find?
Will you be there for me?
Oh no, I wont stop
Till he tells me its all over

Yeah, yeah
(Ooh...)
Oh, I am ready
(Ooh...)
What am I gonna say?
Staring at your face
Will you be kind to me

One day I'll reach it
One day I'll reach it
One day I'll reach it
Oh, I am ready
One day I'll reach it
One day I'll reach it
One day I'll reach it
Ooh...

I just lost my mind
Who am I not to be?
So I packed my things
And just come on over
What am I gonna find?
Will you be there for me
God knows I won't stop
Till he tells me its all over

What am I gonna say?
What am I gonna do?
Staring you upon your face?
Will you be there for me?
What am I gonna say?
What am I gonna do?
Staring you upon your face?
Will you be there for me?

One day I'll reach it
One day I'll reach it
One day I'll reach it
Oh, I am ready
One day I'll reach it
One day I'll reach it
One day I'll reach it

The thought just crossed my mind
That who am I not today?
Cause I' ready
You'll be there for me
Yeah
