Zonke

Woo ooh...

Time as you know  
Waits for nobody  
You though, you though  
Have stayed with me  
When everybody couldn't take  
The tears anymore  
You stayed with me  
You stayed with me

Ngowa akek'onamandla okung'tshela  
Ndingubani na  
Ngowa akek'onamandla okung'tshela  
Ngenzenjani na

(So hlala...  
So hlala sisobabini  
So hlala)  
Oh please  
When you said  
You'll never leave  
I could not believe  
That somebody is loving me  
The way I am  
You stayed with me  
When they had to leave  
You said, you said  
You would never leave

Ngowa akek'onamandla okung'tshela  
Ndingubani na  
Ngowa akek'onamandla okung'tshela  
Ngenzenjani na

(So hlala...  
So hlala sisobabini  
So hlala  
So hlala sisobabini...  
So hlala)  
Oh please  
You keep me going  
You're all that I need and more  
You're all  
'Cause you never, ever let me down  
Oh please  
...
