

Solid Gold

Zoot Woman

There's a question in your eyes
There's no barrier
Between you and I

We'll realize

We are solid gold

We are so-
We are so-
We are solid gold
We are so-
We are so-
We are solid gold

We are so-
We are so-
We are solid
Gold

We are solid gold

Don't let the passion wane
If the dream fades
We will energize

Discovering side by side

We are solid gold

We are solid gold

We are so-

We are so-

We are so-
We are so-
We are so-
We are so-

We are so-
We are so-
We are solid gold

(Gold)
(Gold)

(Gold)
We are solid gold

Turn your life around

(We solid gold
Solid gold

We are solid...

We are solid gold

We are so-

We are solid gold
