

# Underground

Zornik

Break the spell  
Follow the messes on your be expell  
Going down is hard  
Depending on the wings you've got

And all allong, I can't get out  
I'm a long long way from home  
I'm stuck inside my ravenous  
And I'm tired of hiding underground

You're all I ever wanted up here  
But we always want much more than we need  
I do keep off your  
My dear  
I'm ashamed  
I am  
'Cause we failed  
I am  
Lost in hell  
I am  
I'm all allong  
I can't get out  
I'm a long long way from home  
I'm stuck inside my ravenous  
And I'm tired of hiding underground

Underground

I'm slipping away  
Underground  
It's feeling save  
Underground  
I'm the king of me  
Underground
