

# Blue

Zucchero

**E6**

No petrol in the car

**E4**

No pennies in the jar

**E**

**E/Fis**

How did we get this far, baby.

No moon in the sky

No roof to keep us dry

Looks like rain tonight.

**D**

I got a sinking feeling

Coming over me

**A**

I got a sinking feeling

**D**

I tried to paint a picture

**A E**

A picture through the clouds for you.

**A**

Green Your smiling eyes

**FisMi**

Red 'Cause I made you cry

**E4sus**

Grey These rainy skies

**E**

Tomorrow will be

**A**

Blue Stay love

Stay tonight

These rainy skies

Tomorrow will be blue

No caffeine in the coffee

No sugar in my tea

Just watching the TV

With the sound down

No radio on

No tune to the song

And the words are wrong.

Your fingers tapping

To the rhythm of the rain

Your fingers

I tried to paint a picture

A picture through the clouds for you.

Green Your smiling eyes

Red 'Cause I made you cry

Grey These rainy skies

Tomorrow will be

Blue Stay love

Stay tonight

These rainy skies  
Tomorrow will be blue

I got a sinking feeling  
Coming over me  
I got a sinking feeling  
I tried to paint a picture  
A picture through the clouds for you.

Green Your smiling eyes  
Red 'Cause I made you cry  
Grey These rainy skies  
Tomorrow will be

Blue Stay love  
Stay tonight  
These rainy skies  
Tomorrow will be blue

Oh child  
Don't say goodbye  
These rainy skies  
Tomorrow will be Blue

Stay love  
Stay tonight  
These rainy skies  
Tomorrow will be Blue
