

Set Fire To The Rain

Zucchero

I let it fall, my heart
And as it fell, you rose to claim it
It was dark, and it was over
Until you kissed my lips and you saved me

My hands were strong
But my knees were far too weak
To stand in your arms
Without falling to your feet

But there's a side to you
That I never knew, never knew
All the things you'd say
They were never true, never true
And the games you'd play
You would always win, always win

But I set fire to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name, your name!

When I lay with you
I could stay there
Close my eyes
Feel you here forever
You and me together
Nothing is better

'Cause there's a side to you
That I never knew, never knew
All the things you'd say
They were never true, never true
And the games you'd play
You would always win, always win

But I set fire to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name, your name!

I set fire to the rain
And I threw us into the flames
When it fell, something died
'Cause I knew that that was the last time, last time!

Sometimes I wake up by the door
That heart you caught must be waiting for you
Even now, when we're already over
I can't help myself from looking for you

I set fire to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name, your name

I set fire to the rain

And I threw us into the flames
When it fell, something died
'Cause I knew that that was the last time, last time, oh!

I set fire to the rain
Let it burn
I set fire to the rain
Let it burn
I set fire to the rain
Let it burn

I set fire to the rain
Listen
I set fire to the rain
I set fire to the rain
Let it burn
I set fire to the rain
For the last time
For the last time
