

The Scientist

Zucchero

Come up to meet you
Tell you I'm sorry
Don't know how lovely you are
I had to find you
Tell you I need you
Tell you I set you apart

Tell me your secrets
And ask me your questions
Oh, let's go back to the start
Running in circles
Coming up tails
Heads on a science apart

Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard
Oh, take me back to the start

I was just guessing
At numbers and figures
Pulling your puzzles apart
Questions of science
Science and progress
Don't speak as loud as my heart

Tell me you love me
Come back and haunt me
Oh, and I rush to the start
Running in circles
Chasing our tails
Coming back as we are

Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard
I'm going back to the start

Ah-oooh
Ah-oooh
Ah-oooh
Ah-oooh
