

## Pororoca

Zuco 103

We want to see a knife  
We want to see a knife

Mae d'agua and Tucuxi  
Are looking for the boat

Where's the knife  
Eias eia ehhhhhh  
Looking for the boat

Where's the knife  
Ahhhhh it became a war of the knife  
Ahhhhh it became a war of the knife

Mae d'agua and Tucuxi  
Looking for the boat  
Where's the knife  
Ah the children of Boto and Mae d'agua  
Came to wipe it all away

That's when Pororoca was born  
Bringing those people's silence

Those children of Mae d'agua and Boto  
Came to wipe it all away

That's when Pororoca was born  
Bringing those people's silence
