

# I Need You

ZUSE

Girl, I need you, like never before  
Bang, bang, who's there? Knocking on your front door  
It's me, girl, it's me  
Girl, I need you, like never before  
Bang, bang, who's there? Banging on your front door  
It's me, girl, it's me

Girl, ya body so bad and ya skin so clean  
I'm really tryna take yo' ass out of them jeans  
Girl I, need you like never before, ay

Girl [?], I know you whiling  
You bounce yo' ass like a Spalding, and I'm a dunk it like Jordan  
My darlin', I do this often, you know I'm off 'em  
Molly, rocks, beans, and the lean, girl, I'm saucing  
Margiela, what it cost him?  
Nigga fresh to death, can you tell him get a coffin?  
Coughin', I'm sick, I'm coughin', got a fever  
Hot boy like Turk, [?]  
[?] not ready with the [?], come here, baby, like to play play  
Hit it first like Ray J, got ya busting like a AK  
Take ya out on a play date, let me put it in a safe place  
Tell her, "Baby, I know Mayday," gotta say, [?]

Girl, I need you, like never before  
Bang, bang, who's there? Knocking on your front door  
It's me, girl, it's me  
Girl, I need you, like never before  
Bang, bang, who's there? Banging on your front door  
It's me, girl, it's me

Girl, ya body so bad and ya skin so clean  
I'm really tryna take yo' ass out of them jeans  
Girl I, need you like never before, yeah

Girl, I told you, yeah, I told you, got ya body on my body  
Come here, let me hold you, I'm supposed to  
I know you, yes, I know you, I'm your friend  
I'm your lover, I'm the one you're close to  
Come here, gal, yeah, you know me  
Make you feel like my homie  
Call my phone when you're lonely, ride me like a pony  
Baby, you adore me, baby, I adore you, yeah  
Baby, why you feeling a way?  
I won't ever take your feelings away  
Looking at you, I'm a give you the praise  
Looking at you and I'm feeling amazed  
Baby, why you say you feel out of place?  
You and me, and that's forever my bae  
Forever my bae, forever my bae

Girl, I need you, like never before  
Bang, bang, who's there? Knocking on your front door  
It's me, girl, it's me  
Girl, I need you, like never before  
Bang, bang, who's there? Banging on your front door  
It's me, girl, it's me

Girl, ya body so bad and ya skin so clean  
I'm really tryna take yo' ass out of them jeans  
Girl I, need you like never before, yeah
