ZUSE

Yo Sonny
The war get ugly
Them need fe know seh I'm here fe stay
I ain't going nowhere
I am Kingston or London
Bullet, bullet, bullet, bullet

Two door coupe and the seats vanilla
Look into my eyes and you gon' see a killer
M.J. I'm bad all you see is Thriller
No limit boy, like I'm Percy Miller
Percy Miller, Master P, Percy Miller
Percy Miller, Master P, Percy Miller
No limit boy, like I'm Percy Miller
Master P, Percy Miller

Yeah, this shit won't ever stop
You can let them know I'll be forever hot
Never shoot myself like Chedda Bob
I'm a rude boy
I'm forever strapped

I don't give a fuck and you can tell em that
All these bitches fishy like a pound of sprat
Talk behind my back you might run in my strap
Michael Corleone, I'm getting them whacked
I do this for my niggas all over the map
25 bands will catch me a rat
Check my resume, all I speak is the facts
Run up on my goons
It's a combo attack

Two door coupe and the seats vanilla
Look into my eyes and you gon' see a killer
M.J. I'm bad all you see is Thriller
No limit boy, like I'm Percy Miller
Percy Miller, Master P, Percy Miller
Percy Miller, Master P, Percy Miller
No limit boy, like I'm Percy Miller
Master P, Percy Miller

Yeah, this shit won't ever stop
You can let them know I'll be forever hot
Never shoot myself like Chedda Bob
I'm a rude boy
I'm forever strapped

Caught up in the moment, my nigga you show it
Drive by convertible Lotus
Nobody won't notice (they won't notice)
Don't be too heroic
All my killers rollin'
All you niggas bogus
I'm the shit, I won't flush
Smoke you when I roll up
Eat you like a doughnut, don't you see a nigga focused
Chewing my opponents, all I do is go in

Two door coupe and the seats vanilla
Look into my eyes and you gon' see a killer
M.J. I'm bad all you see is Thriller
No limit boy, like I'm Percy Miller
Percy Miller, Master P, Percy Miller
Percy Miller, Master P, Percy Miller
No limit boy, like I'm Percy Miller
Master P, Percy Miller

Yeah, this shit won't ever stop
You can let them know I'll be forever hot
Never shoot myself like Chedda Bob
I'm a rude boy
I'm forever strapped

My head hot like a kettle pot
