

# Lose It

ZUSE

Don't you piss me off, don't you make me lose it  
I got that pistol on me don't make me use it  
Double up my cup then I go abuse it  
I know you say you love me, why the hell you use me  
I give you all my pain all in my music  
Tell my enemies that I ain't foolish  
Told you bout my life and it ain't a movie  
Life is a bitch treat her like a coochie  
My Nina got a stain do you want a smoochie  
I know I love my bitch but she might fool me  
I keep one on the side just like my toolie  
Money over bitches cause the bitches looney  
Know you say you G but I see a goofy  
How you say you real wearing fake jewelry  
Say you love the choppa but ain't touch a uzi  
Don't you piss me off, don't you make me lose it

Don't you piss me off, don't you make me lose it  
Don't you piss me off, don't you make me lose it
