

Never Had

ZUSE

I ain't never had a motherfucking thing
I ain't never had a motherfucking thing
I ain't never had a motherfucking thing
I'm tryna whip this fucking Honda to a Range
I ain't never had a motherfucking thing
I ain't never had a motherfucking thing
I ain't never had a motherfucking thing
Now a nigga got a ring and a chain

Made it out from the bottom
Tryna aim to the top
Only nigga I trust
Is my big black Glock
Got it under my pillow
That's the Heckler and Koch
Then I put on my clothes
Leave that freak in the spot
Now I'm back on the road
Gotta be on the clock
Got a zip of the loud
Got an eighth of the rock
Got a chopper in the trunk
I got to stay from the cops
If you want it I got it
I'm finna pull on your block
Codeine, got Percs
Got pills by the pop
Kush and Molly rock
I supply it, you shop
Multiply with the guap
If you flip then you flop
Prrrrrrrh! Poy! Bullet!
Get gun shot

I ain't never had a motherfucking thing
I ain't never had a motherfucking thing
I ain't never had a motherfucking thing
I'm tryna whip this fucking Honda to a Range
I ain't never had a motherfucking thing
I ain't never had a motherfucking thing
I ain't never had a motherfucking thing
Now a nigga got a ring and a chain

Young nigga, got to get it up
Pick and roll, got to set it up
Balling on you, no competitor
But you know I'm 'bout it like an editor
I ain't never ever been a regular
Flippin' money, where my spatula?
You can tell 'em that the boy spectacular
Ride by, pull up in the Uber
Roll down the window, lock on the shooter
Bullets sink him, like he's a scuba
Ruger, open your head like a fruiter
HK, AK, brand new bazooka
All on me, [?] in my troopers, super
None of my dogs gonna move like [?]

Check where your things un [?]
Step on time, barefoot like [?] bitch
Money, fetty, mula
Shining on you, call me [?] the ruler
Got a problem, better pray to the Buddha
All my niggas gonna roll up like Luda
All my niggas who gon' ride, I salute ya
