

# Snakes

ZZ Ward

There's a snake in the grass  
I see him staring at me  
Told him, if you're gonna bite me  
Then first you better show me your teeth

Oh my God! Oh my God!

I said  
Oh my God, I'm terrified  
Your ice cold heart and hellish eyes  
Woohoo, I can't lie  
Woohoo, I'm terrified

Oh my God, I'm terrified  
And I just can't move, I'm paralyzed  
Woohoo, I can't lie  
Woohoo, I'm terrified
