

Tin Cups

ZZ Ward

It's been one hell of a night
Broken sidewalks, power lines
Your words, buzzing through my mind
Oh, I pray you'll see the signs

Oh my, my, these whiskey lies ain't ever gonna tell the truth
Oh my, my, no man, no cry, I'll never give my heart to you
Oh, line 'em up, line 'em up like a tin cup
Yeah, I love 'em then I let 'em down
Oh, line 'em up, line 'em up like a tin cup
Yeah, I love 'em then I let 'em down

Feel your heartbeat in my veins
I keep running from the flames
Every tear screams "Stay away"
Tell me, will I ever change?
I'll never change

Oh my, my, these whiskey lies ain't ever gonna tell the truth
Oh my, my, no man (woman), no cry, I'll never give my heart to you
Oh, line 'em up, line 'em up like a tin cup
Yeah, I love 'em then I let 'em down
Oh, line 'em up, line 'em up like a tin cup
Yeah, I love 'em then I let 'em down

Down goes another one
Down goes another one, oh
Down goes another one
Down goes another one, oh

It's been one hell of a night

Oh my, my, these whiskey lies ain't ever gonna tell the truth
Oh my, my, no man (woman), no cry, I'll never give my heart to you
Oh my, my, these whiskey lies ain't ever gonna tell the truth
Oh my, my, no man (woman), no cry, I'll never give my heart to you
Oh, line 'em up, line 'em up like a tin cup
Yeah, I love 'em then I let 'em down
Oh, line 'em up, line 'em up like a tin cup
Oh, I love 'em then I, I let 'em down

Down goes another one
Down goes another one, oh (yeah)
I let 'em down
Down goes another one
Down goes another one, oh (yeah, yeah, yeah)
I let 'em down
